ADORA®

ADORA® design toilet seats is a collection of high quality products produced by some of the largest and most professional manufactures in the world.

The collection is as broad as 8 models in two design styles, CLASSIC-design and SLIM-design, aiming to reach almost any demand on design and ability to fit on to most of the common toilets on the nordic market.

Each model has a quick-on fastening system, either the TOP-FIX system or the PUSH&TURN system. Both systems ensure a quick and secure fastening of the hinge.

All ADORA® design toilet seats are equipped with any feature that modern demanding users may desire.

Soft & Silent

A slightly touch makes the seat close slowly, soft, smoothly, silent and safe

Quick-On

Fast and easy installation

Quick-Off

Easy Cleaning Removal feature that makes cleaning of the toilet as well as the toilet seat itself very easy

Hard & Hygenic

The DuroPlast material is hard and durable. Scratch- and dirt resistant and even a allergy-frendly non-hazardous material

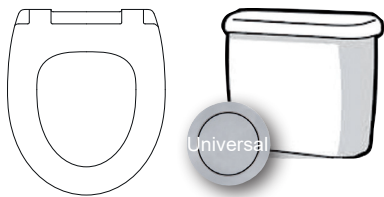

AntiBacterial

Active Care Protection prevents the growth and spread of bacteria on the toilet seat and cover

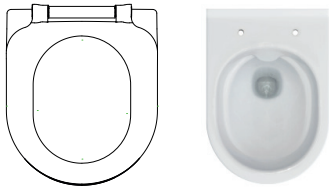

10-Years guaranty

For your comfort and security ADORA®, as posibly the only one on the market, grants a 10-year guaranty against manufacturing defect
