Discover the impressive MARI CEILING LAMP, which inspires with its extraordinary design. With its rectangular shape and the three offset rings, which are provided with noble crystal décor, the lamp becomes an absolute eye-catcher in any room. The body made of matt silver-coloured metal and MDF in marble look harmonises perfectly with the brushed aluminium shade. The clear acrylic crystals and opalene plastic provide fascinating light reflections and a warm atmosphere. With a length of 855 mm and a width of 685 mm, the MARY not only offers effective lighting with an outstanding lumen output of 4600 lumens, but also a wide colour temperature of 2700 K to 6500 K. Thanks to the integrated remote control, the luminaire is dimmable, colours can be fixed and it has a practical memory function as well as the option of a night light. Bring elegance and style into your home with the MARY CEILING LAMP!
