GROUNI ceiling light - elegant design and brilliant lighting The rectangular GROUNI ceiling light impresses with its modern design with four offset rings that create a dynamic and elegant look. The body made of titanium-colored, matt metal and the shade made of matt aluminum give the lamp a simple but elegant look. The clear plastic crystals capture the light and create sparkling accents. With a light output of 2500 lumens, the light provides even, bright lighting in every room. Thanks to the CCT function, the color temperature can be adjusted as desired from 2700 K to 6500 K to create a pleasant atmosphere. The lockable colors and memory function provide additional convenience by saving your preferred settings. GROUNI is the perfect choice for anyone looking for a stylish and customizable lighting solution.
