The EMANUEL ceiling uplighter impresses with its modern, round design and versatile functionality. The housing, made of matte anthracite metal, perfectly complements the swiveling black aluminum ring surrounding the opal acrylic shade. With a diameter of 400 mm, EMANUEL provides pleasant and even illumination in living or working spaces. The integrated LED delivers 1700 lumens with neutral white light (4000 K), creating a bright yet cozy atmosphere. The practical rotary dimmer allows seamless brightness adjustment according to your needs. Thanks to the swiveling ring, the light can be flexibly directed and optimally adapted to different room situations. The uplighter comes with an adapter and impresses with its durable LED technology and high-quality workmanship. EMANUEL is the ideal ceiling light for those seeking modern design and functional lighting in one product.
