

MONROE PRO 3 SIK TURBO

30
MBAR

READY FOR ALL BARBECUE ADVENTURES

The BBQs from the MONROE PRO series are real all-rounders. Those who like to push the envelope when it comes to barbecuing are likely to really test the boundaries with these fully featured superheroes. Everything about the gas barbecues has been thought out and optimised down to the smallest detail. Even the end caps for the barbecue hoods are made of solid cast aluminium and are thus perfectly stable and durable – not to mention the cooking chambers made of cast aluminium and indestructible stainless steel. With the TURBO ZONE™ you can effortlessly master the supreme discipline of “grilling a steak to perfection”, while the HEAT RANGE™ stainless steel burner system allows you to set any desired temperature from low and slow, to fast and hot. More: The extensive range of accessories will meet all your needs. And thanks to SIMPLE CLEAN™, you can also wipe the barbecue down clean in no time at all.

- **800 °C TURBO ZONE™** with infrared mesh: reaches extra high temperatures for turbo-fast searing
- **HEAT RANGE:** constant temperatures for cooking on a low or high flame
- **SWITCH GRID:** enamelled cast grate offers versatile grilling options
- **SIMPLE CLEAN:** simple cleaning with individual combustion chamber components that can be removed without tools
- **Infrared back burner** for juicy crispy meat on the rotisserie
- **3 stainless steel burners** for powerful direct and indirect grilling/baking
- large **viewing window** for a clear view of the food being grilled
- **Double-walled lid** stainless steel with integrated thermometer
- Large, **swinging stainless steel warming grid** keeps finished food warm
- **11 kg gas bottle** can remain in the base unit during use
- **Stainless steel flame covers** protect the burners and optimise heat distribution
- **Battery-free piezo ignition** in the control knob enables safe ignition
- **Large-volume lid** made of enamelled steel and integrated thermometer
- **2 large stainless steel side shelves** with front storage surface
- stainless steel control panel, side shelves and 2 double-walled doors
- **double-walled lid** with high-quality cast aluminium side panels equipped
- Base unit, side shelves and 2 double-walled doors in stainless steel
