

MONROE BLACK PRO 3 IK TURBO „ALL BLACK“

30
mBAR

READY FOR ALL BARBECUE ADVENTURES

The BBQs from the MONROE PRO series are real all-rounders. Those who like to push the envelope when it comes to barbecuing are likely to really test the boundaries with these fully featured superheros Everything about the gas barbecues has been thought out and optimised down to the smallest detail. Even the end caps for the barbecue hoods are made of solid cast aluminium and are thus perfectly stable and durable – not to mention the cooking chambers made of cast aluminium and indestructible stainless steel. With the TURBO ZONE™ you can effortlessly master the supreme discipline of “grilling a steak to perfection”, while the HEAT RANGE™ stainless steel burner system allows you to set any desired temperature from low and slow, to fast and hot. More: The extensive range of accessories will meet all your needs. And thanks to SIMPLE CLEAN™, you can also wipe the barbecue down clean in no time at all.

- **800 °C TURBO ZONE™** with infrared mesh: reaches extra high temperatures for turbo-fast searing
- **HEAT RANGE:** constant temperatures for cooking on a low or high flame
- **SWITCH GRID:** enamelled cast grate offers versatile grilling options
- **SIDE COOKER (2.9 KW):** for preparing side dishes, can also be used as a storage surface when folded closed
- **3 stainless steel burners** for powerful direct and indirect grilling/baking
- Large, **swinging stainless steel warming grid** keeps finished food warm grilled food warm
- **SIMPLE CLEAN:** simple cleaning with individual combustion chamber components that can be removed without tools
- **Removable fat drawer** with fat collector for easy cleaning
- **11 kg gas bottle** can remain in the base unit during use
- **Battery-free piezo ignition** in the control knob enables safe ignition
- **Stainless steel flame covers** protect the burners and optimise heat distribution
- Including pressure regulator with integrated hose rupture protection (EFV) and hose for extra safety
- **High-quality cast aluminium side panels** on lid and combustion chamber
- **Large-volume lid** made of enamelled steel and integrated thermometer
- **2 large side shelves** made of stainless steel with front shelf and **utensil hooks** on the sides
- **Control panel** made of stainless steel
