

URBAN PRO

**30
MBAR**

CHECK OUT THOSE SMOKIN' HOT SKILLS!

The URBAN range of BBQs offers a range of possibilities. Combining grilling, cooking and baking, you can always satisfy your hunger – the URBAN is nothing short of poetry in motion. What's more, it can do all this in an attractive design and with smart technology. What else can it do? Well, it can be operated with a gas bottle or a threaded gas cartridge. So, you can fire up any party with the tabletop version! No matter whether it's on the balcony or in the park at the other end of the city. The PRO version also comes with a dimensionally stable, durable and lightweight cast aluminium lid. And with the URBAN series trolley, you can really get the party started – in fact, you can get it started wherever you want. And the practical side shelves give you plenty of storage space too.

- **2 Stainless steel burners** for powerful direct and indirect grilling, cooking and baking
- **Solid, enamelled cast iron grate** with integrated flame covers
- Chrome-plated, removable **pot grates** for safe cooking and easy cleaning
- **Cooking bonnet** made of powder-coated cast aluminium
- **Operation with gas cylinder or screw-in cartridge** (hose and regulator for gas bottle operation included)
- **2 removable fat trays** for easy and quick cleaning
- **Large-volume cast aluminium cooking bonnet** with integrated thermometer
- Removable plastic **side shelves** can be stowed away to save space
- **Robust housing** made of durable, lightweight cast aluminium
